

Cermak & Des Plaines Shopping Center

Forza Design was commissioned to Design & Permit a Commercial Strip Center. The site formerly housed a gas station with 4,000 sqft garage. Using the existing structure, we redesigned and cut openings into the existing facade, & adding a 7,000 sqft addition, cladding the entire project in new masonry making it ascetically pleasing.

Project General Info:

Project Address: 7929 Cermak Road, Northriverside, IL.

Building Size: 10,774 sqft Strip Center
9 Commercial Tenant Spaces Varies

Site: 25,000 sqft

Construction Type: Masonry & Steel
